

GENERAL STANDARDS AND FORMATTING RULES FROM THE PROELIUM SCIENTIFIC JOURNAL (SERIES VIII)

1. General Rules

1.1 *Proelium* is a scientific journal for all national and international researchers to submit original articles in different scientific areas, and that may, preferably, contribute to the field of Defense and Security.

1.2 Articles must be submitted electronically to the Editor of *Proelium* (Series VIII), Lieutenant-Colonel (PhD) David Pascoal Rosado, with the email address david.rosado@academiamilitar.pt.

1.3 The Editor of *Proelium* confirms receipt of the articles, which are then reviewed by at least two reviewers in a double-blind review process. Notification of the result is made by email.

2. Formatting rules

2.1 Authors should use the word document formatting template, available at <https://academiamilitar.pt/investigacao-e-inovacao/proellium.html>, sending their article to david.rosado@academiamilitar.pt, never converted to pdf format.

2.2. The articles should not exceed 15 pages, with all illustrations inserted in the text, always "in line with the text". Illustration legends should never be placed in text boxes.

2.3 The identification of authorship respects the following scheme:

Name author, affiliation, email address

2.4 All citations and bibliographical references must follow APA (American Psychological Association) bibliographic style in its latest edition.
